- FACT:** Ontario Liberals are committed to ensuring economic opportunity for women, with quality, accessible child care as a key element.
- FACT:** The Lyn McLeod Task Force on Cancer Care developed a strategy to ensure that Ontario's health system is able to meet demand, particularly in the timely treatment of breast cancer.
- FACT:** Ontario Liberals are committed to protecting women from abuse and crime by imposing tougher bail restrictions on abusive men, removing violent and abusive men from their homes, and encouraging safety audits of neighbourhoods to reduce opportunities for sexual assault.
- FACT:** Ontario Liberals are committed to fighting violent images in our society - calling for strict controls on slasher films and introducing legislation restricting the sale of serial killer trading cards.
- FACT:** Ontario Liberals launched public education campaigns on wife assault and sexual assault and substantially increased funding for women's shelters, sexual assault centres and programs designed to reduce the incidence of wife assault.
